

Report of the Japanese Society of Systematic Zoology, No. 1 (1965)

Proceeding of the Japanese Society of Systematic Zoology, Nos. 2-6 (1966-1970)

Proceedings of the Japanese Society of Systematic Zoology, Nos. 7-54 (1971-1995)

(ISSN 0287-0223)

Proceedings of the Japanese Society of Systematic Zoology is a previous journal of The Society. [Back issues](#) are available.

Ordinary Issues: Nos. 1-22, 24-26, 28-31, 33-42, 44, 45, 47-54.

- **Contents ordered by author name:**
 - [A](#), [B](#), [C](#), [D](#), [E](#), [F](#), [G](#), [H](#), [I](#), [J](#), [K](#), [L](#), [M](#), [N](#), [O](#), [P](#), [Q](#), [R](#), [S](#), [T](#), [U](#), [V](#), [W](#), [X](#), [Y](#), [Z](#)
- **Contents ordered by subject:**
 - [theory; animals in general; other animals; othre articles](#)
 - [protozoans](#)
 - [Porifera; Cnidaria](#)
 - [Plathelminthes; Nemertinea; Kamptozoa](#)
 - [Aschelminthes; Mollusca](#)
 - [Annelida; Tardigrada](#)
 - [Arthropoda, Xiphosura](#)
 - [Arthropoda, Aracnida](#)
 - [Arthropoda, Crustacea](#)
 - [Arthropoda, myriapodans](#)
 - [Arthropoda, Insecta](#)
 - [Bryozoa; Chaetognatha; Echinodermata; Chordata](#)

Special Issues:

No. 23

No. 27

No. 32

[No. 43](#): The Rotifera from Singapore and Taiwan.

[No. 46](#): Taxonomical and Ecological Approaches to the Aquatic Biota in the Southwestern Islands of Japan.

Report of the Japanese Society of Systematic Zoology: No. 1 (Sept 10, 1965), **Proceeding of the Japanese Society of Systematic Zoology:** No. 2 (Aug 30, 1966), No. 3 (Sept 10, 1967), No. 4 (Oct 1, 1968), No. 5 (Oct 1, 1969), No. 6 (Oct 1, 1970), **Proceedings of the Japanese Society of Systematic Zoology:** No. 7 (Oct 1, 1971), No. 8 (Nov 15, 1972), No. 9 (Oct 20, 1973), No. 10 (Dec 14, 1974), No. 11 (Oct 30, 1975), No. 12 (Dec 20, 1976), No. 13 (Oct 31, 1977), No. 14 (June 26, 1978), No. 15 (Dec 15, 1978), No. 16 (June 30, 1979), No. 17 (Dec 10, 1979), No. 18 (June 25, 1980), No. 19 (Dec 25, 1980), No. 20 (June 29, 1981), No. 21 (Dec 28, 1981), No. 22 (May 25, 1982), **No. 23**, No. 24 (Dec 25, 1982), No. 25 (June 25, 1983), No. 26 (Dec 25, 1983), **No. 27**, No. 28 (June 25, 1984), No. 29 (Dec 25, 1984), No. 30 (June 25, 1985), No. 31 (Dec 25, 1985), **No. 32**, No. 33 (July 25, 1986), No. 34 (Dec 25, 1986), No. 35 (June 25, 1987), No. 36 (Dec 25, 1987), No. 37 (June 25, 1988), No. 38 (Dec 25, 1988), No. 39 (June 25, 1989), No. 40 (Dec 25, 1989), No. 41 (June 25, 1990), No. 42 (Dec 25, 1990), **No. 43** (April 1, 1991), No. 44 (June 25, 1991), No. 45 (Dec 25, 1991), **No. 46** (January 31, 1992), No. 47 (June 25, 1992), No. 48 (Dec 25, 1992), No. 49 (July 25, 1993), No. 50 (Feb 25, 1994), No. 51 (July 25, 1994), No. 52 (Dec 25, 1994), No. 53 (June 25, 1995), No. 54 (Dec 25, 1995)

A

- **Abe, W. and Ito, M.** (July 25, 1994) *Itaquascon globuliferum*, a new species of **Tardigrada** (Eutardigrada: Hypsibiidae) from Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 51: 8-11. [In English with Japanese summary]
 - *Itaquascon globuliferum*
- **Akaike, M., Ishii, M., and Ando, H.** (May 25, 1982) The formation of germ rudiment in the caddisflies, *Glyphotaenius admorsus* MacLachlan and *Neosererina crassicornis* Ulmer (Integripalpia, **Trichoptera**) and its phylogenetic significance. Proceedings of the Japanese Society of Systematic Zoology, No. 22: 46-52. [In English with Japanese summary]
- **Ando, H. and Tanaka, M.** (December 20, 1976) The formation of germ rudiment and embryonic membranes in the primitive moth, *Endoclyta excrescens* Butler (Hepialidae, Monotrypsia, **Lepidoptera**) and its phylogenetic significance. Proceedings of the Japanese Society of Systematic Zoology, No. 12: 52-55. [In English with Japanese summary]
- **Ando, H. and Suzuki, N.** (October 31, 1977) On the embryonic development of larval eyes of the scorpion-fly, *Panorpa pryeri* MacLachlan (**Mecoptera**, Panorpidae). Proceedings of the Japanese Society of Systematic Zoology, No. 13: 81-84, pl. 7. [In English with Japanese summary]
- **Ando, H. and Kobayashi, Y.** (December 15, 1978) The formation of germ rudiment in the primitive moth, *Neomicropteryx nipponensis* Issiki (Micropterygidae, Zeugloptera, **Lepidoptera**) and its phylogenetic significance. Proceedings of the Japanese Society of Systematic Zoology, No. 15: 47-50. [In English with Japanese summary]
- **Aoki, J.** (September 10, 1965) Proposal of new systematic arrangement of Otocepheidae (**Acarina**). Report of the Japanese Society of Systematic Zoology, No. 1: 16-18. [In Japanese]
- **Aoki, J.** (October 1, 1968) The first record of the **mites** of the genus *Asca* from Japan. Proceeding of the Japanese Society of Systematic Zoology, No. 4: 30-32. [In Japanese with English summary]
- **Aoki, J.** (October 1, 1968) Classificatory characters of Otocepheidae. Proceeding of the Japanese Society of Systematic Zoology, No. 4: 32-33. [In Japanese] (**Acari**)
- **Aoki, J.** (June 25, 1980) Revision of the oribatid **mites** of Japan. III. Families Protoplophoridae, Archoplophoridae and Mesoplophoridae. Proceedings of the Japanese Society of Systematic Zoology, No. 18: 5-16. [In English with Japanese summary]
 - *Archoplophora villosa* [Zoh-irekodani]
 - genus *Apoplophora* [Mae-irekodani Zoku]
 - *Apoplophora remota* [Mae-irekodani]
- **Aoki, J.** (December 25, 1987) Three species of oribatid **mites** from Kume-jima Island, Southwest Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 36: 25-28. [In English with Japanese summary]
 - *Eremobelba okinawa* [minami-kumosuke-dani]
 - *Mixacarus exilis foveolatus* [ryžkyž-tsutuhara-dani]
- **Aoki, J.** (December 25, 1988) New oribatid mites (**Acari**: Orbatida) from *Castanopsis* forest of Muroto-zaki, South Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 38: 26-30. [In English with Japanese summary]
 - *Liacarus murotensis* [muroto-tsuya-tamago-dani]
 - *Oppiella articrostata* [shikoku-tsubu-dani]
 - *Neoribates pallidus* [marugao-furisode-dani]
- **Aoki, J.** (June 25, 1990) New oribatid mites (**Acari**: Orbatida) from Taiwan. I. Proceedings of the Japanese Society of Systematic Zoology, No. 41: 15-18. [In English with Japanese summary]
 - *Dolicheremaeus tamurai*

- *Heterobelba stellifera formosana*
- **Aoki, J.** (July 25, 1994) New species of oribatid **mites** from a moor in Hakone, central Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 51: 35-41. [In English with Japanese summary]
 - *Hoplophthiracarus inoueeae*
 - *Malaconothrus yamamotoi*
 - *Protoribates hakonensis*
- **Aoki, J.** (July 25, 1994) Vernacular names of animal groups in Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 51: 69-72. [In Japanese]
- **Aoki, J. and Maruyama, I.** (December 25, 1983) A new tenuialid **mite** representing a new genus from Central Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 26: 19-24. [In English with Japanese summary]
 - genus *Ceratotenuiala*
 - *Ceratotenuiala echigoensis* [echigo-maru-toge-dani]
- **Aoki, M. and Kikuchi, T.** (June 25, 1995) Notes on *Caprella andreae* Mayer, 1890 (**Crustacea, Amphipoda**) from the carapace of loggerhead sea turtles in the East China Sea and in Kyushu, Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 53: 54-61. [In English with Japanese summary]
- **Arimoto, I.** (June 26, 1978) Three new species of caprellid (**Amphopoda**, Caprellidae) collected by the national land agency from Ehime and O-ita Prefectures in 1976. Proceedings of the Japanese Society of Systematic Zoology, No. 14: 19-24. [In English with Japanese summary]
 - *Caprella (Caprella) branchella* [Eranaga-warekara]
 - *Caprella (Rostrhicephala) brachiata* [Era-warekara]
 - genus *Pedotrina*
 - *Pedotrina globosa* [Marugata-warekara]
- **Arimoto, I.** (June 26, 1978) Ceprellids (**Amphipoda**, Caprellidae) from Kushimoto (Honshu) in Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 14: 25-28. [In English with Japanese summary]
 - genus *Premohemiaegina*
 - *Premohemiaegina sola* [Kodoku-warekara]
- **Arimoto, I.** (June 30, 1979) A new caprellid *Caprella (Rostrhicephala) dissona* n. sp. (**Amphipoda**, Caprellidea [sic]) from Toyoma, Fukushima Prefecture, Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 16: 33-34. [In English with Japanese summary]
 - *Caprella (Rostrhicephala) dissona* [Futsuriai-warekara]
- **Arimoto, I.** (June 25, 1980) A new caprellid amphipod, *Caprella (Caprella) iniqua* sp. nov. from the *Sargassum* region of Iita Prefecture, Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 18: 27-29. [In English with Japanese summary]
 - *Caprella (Caprella) iniqua* [FudTM-warekara]
- **Arimoto, I.** (May 25, 1982) Three species of caprellid **amphipods** from Ogasawara Islands, with a description of a new species. Proceedings of the Japanese Society of Systematic Zoology, No. 22: 21-23. [In English with Japanese summary]
 - *Caprella (Caprella) temperativa*
- **Asahina, S.** (June 26, 1978) A remarkable new damselfly allied to *Bayadera* (**Odonata**, Euphaeidae). Proceedings of the Japanese Society of Systematic Zoology, No. 14: 43-46. [In English with Japanese summary]
 - *Schmidtphaea schmidi*
- **Asahina, S.** (June 29, 1981) A new *Chlorogomphus* from Thailand (**Odonata**, Cordulegasteridae). Proceedings of the Japanese Society of Systematic Zoology, No. 20: 35-38. [In English with Japanese summary]
 - *Chlorogomphus arooni*
- **Asahina, S.** (December 25, 1983) A new *Macromia* from southern Thailand (**Odonata**, Corduliidae). Proceedings of the Japanese Society of Systematic Zoology, No. 26: 35-39. [In English with Japanese summary]
 - *Macromia pinratani*

- **Asahina, S.** (July 25, 1986) A new *Oligoaeschna* (**Odonata**, Aeschnidae). Proceedings of the Japanese Society of Systematic Zoology, No. 33: 29-31. [In English with Japanese summary]
 - *Oligoaeschna minuta*
- **Asahina, S.** (December 25, 1986) A list of the **Odonata** recorded from Thailand. Part XVI. Cordulegasteridae. Proceedings of the Japanese Society of Systematic Zoology, No. 34: 39-45. [In English with Japanese summary]
- **Asahina, S.** (December 25, 1987) A revised description of *Schmidtiphaea schmidi* (**Odonata**, Euphaeidae). Proceedings of the Japanese Society of Systematic Zoology, No. 36: 34-37. [In English with Japanese summary]
- **Asahina, S.** (December 25, 1988) Notes on two cordulegasterid **dragonflies** in the collection of Museum National d'Histoire Naturelle, Paris. Proceedings of the Japanese Society of Systematic Zoology, No. 38: 31-36. [In English with Japanese summary]
- **Asahina, S.** (December 25, 1989) Professor Dr. Masuzo UŽno in memorium! Proceedings of the Japanese Society of Systematic Zoology, No. 40: 1-2. [In Japanese]
- **Asahina, S.** (June 25, 1990) A new *Oligoaeschna* from Mindanao, Philippines (**Odonata**, Aeschnidae). Proceedings of the Japanese Society of Systematic Zoology, No. 41: 26-29. [In English with Japanese summary]
 - *Oligoaeschna uemurai*
- **Asahina, S. and Kitagawa, K.** (June 25, 1992) A new addition to the **odonate** fauna of Thailand. Proceedings of the Japanese Society of Systematic Zoology, No. 47: 33-36. [In English with Japanese summary]

B

- **Baba, K.** (December 15, 1978) A new deep-sea galatheid (**Crustacea, Anomura**) from northern South China Sea. Proceedings of the Japanese Society of Systematic Zoology, No. 15: 31-35. [In English with Japanese summary]
 - *Munidopsis gibbosa*
- **Baba, K. and Tirmizi, N.M.** (December 10, 1979) A new chirostyliid (**Crustacea, Decapoda, Anomura**) from deeper parts of the Japanese waters and off the east coast of Africa. Proceedings of the Japanese Society of Systematic Zoology, No. 17: 52-57. [In English with Japanese summary]
 - *Uroptychus remotispinatus*
- **Beppu, K.** (June 25, 1988) Systematic positions of three *Drosophila* species (**Diptera: Drosophilidae**) in the *virilis-repleta* radiation. Proceedings of the Japanese Society of Systematic Zoology, No. 37: 55-58. [In English with Japanese summary]
- **Buri, P. and Motoh, H.** (December 25, 1980) The skull of **milkfish**, *Chanos chanos* Forsk. Proceedings of the Japanese Society of Systematic Zoology, No. 19: 45-52. [In English with Japanese summary]

C

- **Carson, H.L.** (September 10, 1967) Chromosomal polymorphism in altitudinal races of *Drosophila*. Proceeding of the Japanese Society of Systematic Zoology, No. 3: 10-16. [In English] (**Diptera**)
- **Chiba, A. and Honma, Y.** (October 1, 1971) The secondary sexual characters found in the lined shore **crab**, *Pachygrapsus crassipes*, with special regard to the copulatory organs. Proceedings of the Japanese Society of Systematic Zoology, No. 7: 54-60, pl. 1. [In Japanese with English summary]
- **Chinone, S.** (December 28, 1981) A new species of the genus *Paraphytoptus* (**Acari, Eriophyidae**) on Chrysanthemum in Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 21: 23-26. [In English with Japanese summary]
 - *Paraphytoptus kikus*
- **Choi, S.S. and Aoki, J.** (December 25, 1985) The oribatid mites (**Acari: Cryptostigmata**) of Korea (2). On the genus *Allodamaeus*-species. Proceedings of the Japanese Society of Systematic Zoology, No. 31: 1-6. [In English with Japanese summary]
 - *Allodamaeus decemsetiger*
 - *Allodamaeus woonhahi*

E

- **Eguchi, M.** (October 30, 1975) Notes on **Coral** of Yaeyama Islands Group, with description of a new species, *Cladocora kabiraensis* n. sp. Proceedings of the Japanese Society of Systematic Zoology, No. 11: 1-4. [In English with Japanese summary]
 - *Cladocora kabiraensis*
- **Ehara, S.** (December 25, 1989) Four new species of spider mites (**Acarina: Tetranychidae**) from Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 40: 28-38. [In English with Japanese summary]
 - *Schizotetranychus brevisetosus*
 - *Eotetranychus cornicola*

- *Eotetranychus tsugaruensis*
- *Eotetranychus nomurai*
- **Ehara, S. and Yokogawa, M.** (October 31, 1977) Two new *Amblyseius* from Japan with notes on three other species (**Acarina**: Phytoseiidae). Proceedings of the Japanese Society of Systematic Zoology, No. 13: 50-58. [In English with Japanese summary]
 - *Amblyseius (Amblyseius) koyamanus* [Koyama-kaburidani]
 - *Amblyseius (Amblyseius) ochii* [Ochi-kaburidani]
- **Enami, Y.** (December 25, 1989) A new species of *Belba* (**Acari**: Damaeidae) from Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 40: 39-42. [In English with Japanese summary]
 - *Belba sasakawai*
- **Enami, Y.** (December 25, 1992) A new species of the genus *Epidamaeus* (**Acari**: Damaeidae) from Japan, with redescription of *E. variabilis* Fujikawa et Fujita, 1985. Proceedings of the Japanese Society of Systematic Zoology, No. 48: 36-41. [In English with Japanese summary]
 - *Epidamaeus oharensis*
- **Enami, Y., Aoki, J., and Hu, S.-h.** (December 25, 1994) Oribatid mites from tropical forests of Yunnan Province in China IV. Family Damaeidae. Proceedings of the Japanese Society of Systematic Zoology, No. 52: 43-46. [In English with Japanese summary]
 - *Epidamaeus yunnanensis*

F

- **Fujino, T. and Miyake, S.** (October 1, 1971) Description of two new crangonid shrimps of the genus *Pontophilus* from Japanese waters (**Crustacea, Decapoda**, Crangonidae). Proceedings of the Japanese Society of Systematic Zoology, No. 7: 26-38. [In English]
 - *Pontophilus dimorphus*
 - *Pontophorus vestigialis*
- **Fujita, H. and Honma, Y.** (September 10, 1965) Systematic development of the thyroid gland. Report of the Japanese Society of Systematic Zoology, No. 1: 22-26. [In Japanese]
- **Fujita, K., Fukusho, K., Hottori, J., Kuronuma, K., and Nakamura, Y.** (August 30, 1966) Comparison of morphology and ecology in three species of *Tilapia* (Preliminary report). Proceeding of the Japanese Society of Systematic Zoology, No. 2: 31-35. [In Japanese with English summary] (**fish**)
- **Fukuda, Y.** (December 25, 1982) Zoeal stages of the burrowing mud shrimp *Laomedea astacina* de Haan (**Decapoda**: Thalassinidea: Laomediidae) reared in the Laboratory. Proceedings of the Japanese Society of Systematic Zoology, No. 24: 19-31. [In English with Japanese summary]
- **Fukuda, Y.** (July 25, 1994) Information obtained from the prezoal cuticle of the **Brachyura**. Proceedings of the Japanese Society of Systematic Zoology, No. 51: 25-34. [In Japanese with English summary]
- **Fukuda, Y.** (December 25, 1994) Existence of precoxa in the thoracic appendages of **decapod crustaceans** and its functions. Proceedings of the Japanese Society of Systematic Zoology, No. 52: 47-64. [In Japanese with English summary]
- **Fukuoka, K. and Murano, M.** (July 25, 1994) A new species of the genus *Australomysis* (**Crustacea, Mysidacea**) from Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 51: 18-24. [In English with Japanese summary]
 - *Australomysis hispida*
- **Fukusho, K.** (September 10, 1967) Morphological study of some digestive organs in cichlid **fishes** with special reference to the digestive tract. Proceeding of the Japanese Society of Systematic Zoology, No. 3: 29-40. [In Japanese with English summary]

G

- **GamTM, S.** (October 1, 1969) Further notes on *Paramenophia platysoma* (Thompson & A. Scott) (= *Dactylopusia platysoma* Thompson & A. Scott), harpacticoid **Copepoda** from Tanabe Bay, Kii Peninsula. Proceeding of the Japanese Society of Systematic Zoology, No. 5: 19-22. [In Japanese with

English summary]

- **GamTM, S.** (October 30, 1975) A new gammaridean **Amphipoda**, *Lepidepecreum sagamiensis* sp. nov. from Sagami Bay. Proceedings of the Japanese Society of Systematic Zoology, No. 11: 32-36, pls. 1-3. [In English with Japanese summary]
 - *Lepidepecreum sagamiensis*
- **GamTM, S.** (December 20, 1976) *Heterosignum mutsuensis* gen. nov., sp. nov., a new **isopod Crustacea** from Mutsu Bay, northern Japan (Paraselloidea, Minnidae). Proceedings of the Japanese Society of Systematic Zoology, No. 12: 39-45. [In English with Japanese summary]
 - genus *Heterosignum*
 - *Heterosignum mutsuensis*
- **GamTM, S.** (October 31, 1977) A new gammaridean **Amphipoda**, *Melita sextachya* sp. nov. from Sagami Bay. Proceedings of the Japanese Society of Systematic Zoology, No. 13: 65-71. [In English with Japanese summary]
 - *Melita sextachya*
- **GamTM, S.** (June 29, 1981) A new deep-sea **Amphipoda**, *Lepechinella sagamiensis* sp. nov. from Sagami Bay. Proceedings of the Japanese Society of Systematic Zoology, No. 20: 16-20. [In English with Japanese summary]
- **Golovatch, S.I., Mikhaljova, E.V., and Tanabe, T.** (June 25, 1995) Review of the east Asian millipede genus *Haplogonosoma* Bršlemann, 1916 (**Diplopoda**, Polydesmida, Paradoxosomatidae). Proceedings of the Japanese Society of Systematic Zoology, No. 53: 71-80. [In English with Japanese summary]

- **Habe, T. and Sato, J.** (November 15, 1972) Classification of the family Buccinidae from the North Pacific. Proceedings of the Japanese Society of Systematic Zoology, No. 8: 1-8, pls. 1-2. [In Japanese with English summary] (**Mollusca**)
- **Habu, A.** (October 30, 1975) *Achaetocephala atrata* gen. nov. et sp. nov., from Formosa (**Coleoptera**, Carabidae, Platynini). Proceedings of the Japanese Society of Systematic Zoology, No. 11: 37-41. [In English with Japanese summary]
 - genus *Achaetocephala*
 - *Achaetocephala atrata*
- **Habu, A.** (June 26, 1978) Two new species of *Synuchus* from Formosa (**Coleoptera**, Carabidae). Proceedings of the Japanese Society of Systematic Zoology, No. 14: 48-54. [In English with Japanese summary]
 - *Synuchus (Synuchus) pinguiusculus*
 - *Synuchus (Synuchus) macer*
- **Habu, A.** (December 15, 1978) *Tenuistilus teradai*, gen. nov. and sp. nov., from Formosa (**Coleoptera**, Carabidae, Harpalini). Proceedings of the Japanese Society of Systematic Zoology, No. 15: 51-55. [In English with Japanese summary]
 - genus *Tenuistilus*
 - *Tenuistilus teradai*
- **Habu, A.** (December 15, 1978) A new species of *Parabroscus* from Formosa (**Coleoptera**, Carabidae). Proceedings of the Japanese Society of Systematic Zoology, No. 15: 56-59. [In English with Japanese summary]
 - subgenus *Parabroscoides*
 - *Parabroscus (Parabroscoides) teradai*
- **Habu, A.** (June 30, 1979) A new genus and species of the Lebiini from Formosa (**Coleoptera**, Carabidae). Proceedings of the Japanese Society of Systematic Zoology, No. 16: 65-69. [In English with Japanese summary]
 - genus *Teradaia*
 - *Teradaia bella*
- **Haga, K. and Okajima, S.** (December 25, 1989) A new *Ctenothrips* from Japan Alps (**Thysanoptera**: Thripidae). Proceedings of the Japanese Society of Systematic Zoology, No. 40: 49-54. [In English with Japanese summary]
 - *Ctenothrips nonnae*
- **Hagino, Y. and Scheller, U.** (December 25, 1985) A new species of the genus *Eurypauropus* (**Paupoda**: Eurypauropodidae) from central Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 31: 38-43. [In English with Japanese summary]
 - *Eurypauropus japonicus*
- **Hagiya, M.** (June 25, 1992) A new polyclad **turbellarian** from northern Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 47: 57-63. [In English with Japanese summary]

- **Yamada, M. and Nagao, Z.** (October 1, 1971) On the life-cycle of *Turritopsis nutricula* McCrady (**Hydrozoa**, Anthomedusae). Proceedings of the Japanese Society of Systematic Zoology, No. 7: 1-4. [In Japanese with English summary]
- **Yamada, M. and Hirano, Y.** (June 25, 1983) Records of two **hydromedusae** from Akkeshi Bay. Proceedings of the Japanese Society of Systematic Zoology, No. 25: 7-10. [In English with Japanese summary]
- **Yamaguchi, H.** (August 30, 1966) On the classification and phylogeny of the **Oligochaeta**. Proceeding of the Japanese Society of Systematic Zoology, No. 2: 16-21. [In Japanese with English summary]
- **Yamaguchi, T. and Takeda, M.** (October 20, 1973) Dimorphism of chelipeds and systematic status of a fiddler **crab**, *Uca marionis* (Desmarest). Proceedings of the Japanese Society of Systematic Zoology, No. 9: 7-12. [In Japanese with English summary]
- **Yamane, Sk.** (December 25, 1991) Occurrence of *Ropalidia marginata* on the Volcano Islands, Japan (**Hymenoptera**, Vespidae). Proceedings of the Japanese Society of Systematic Zoology, No. 45: 55-59. [In English with Japanese summary]
- **Yamane, Sk., Yamane, So., and Wang, H.Y.** (December 25, 1995) The identity of *Parapolybia takasagona* Sonan (**Hymenoptera**, Vespidae). Proceedings of the Japanese Society of Systematic Zoology, No. 54: 75-78. [In English with Japanese summary]
- **Yamanishi, R.** (June 25, 1983) Occurrence of *Pisionella hancocki* Hartman (**Polychaeta**: Pisionidae) from the Sea of Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 25: 11-16, pl. I. [In English with Japanese summary]
- **Yamasaki, T.** (December 25, 1983) A new *Ducetia* species (**Orthoptera**, Tettigoniidae) from Kyushu, Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 26: 40-43. [In English with Japanese summary]
 - *Ducetia unzenensis* [unzen-tsuyu-mushi]
- **Yamasaki, T.** (December 25, 1985) A new genus and species of Mogoplistidae (**Orthoptera**, Grylloidea) from the Ryukyus. Proceedings of the Japanese Society of Systematic Zoology, No. 31: 44-49. [In English with Japanese summary]
 - genus *Tubarama*
 - *Tubarama iriomotejimana* [iriomote-hime-kanetataki]
- **Yamasaki, T.** (July 25, 1986) Synonymic notes on the Japanese Meconematinae (**Orthoptera**, Tettigoniidae). Proceedings of the Japanese Society of Systematic Zoology, No. 33: 52. [In English]
- **Yamasaki, T.** (December 25, 1987) Addenda to the description of *Tettigoniopsis kurosawai* Yamasaki, 1986 (**Orthoptera**, Tettigoniidae). Proceedings of the Japanese Society of Systematic Zoology, No. 36: 52. [In English]
- **Yamasaki, T.** (December 25, 1988) Two new taxa of the meconematine genus *Leptoteratura* (**Orthoptera**, Tettigoniidae) from the Ryukyu Islands. Proceedings of the Japanese Society of Systematic Zoology, No. 38: 37-42. [In English with Japanese summary]
 - *Leptoteratura symmetrica* [tete-hime-tsuyu-mushi]
 - *Leptoteratura yaeyamana donan* [dunan-hime-tsuyu-mushi]
- **Yamasaki, T.** (June 25, 1991) Occurrence of *Megacrania alpheus* (**Cheleutoptera**: Phasmatidae) in Iriomote-jima Island, the Ryukyus. Proceedings of the Japanese Society of Systematic Zoology, No. 44: 49-56. [In English with Japanese summary]
 - *Megacrania alpheus adan*
- **Yamasaki, T.** (December 25, 1991) A new subspecies of *Traulia ornata* (**Orthoptera**: Catantopidae) from Taiwan. Proceedings of the Japanese Society of Systematic Zoology, No. 45: 45-49. [In English with Japanese summary]
 - *Traulia ornata chui*

- **Yamasaki, T.** (December 25, 1992) *Taiyalia*, a new genus of the Meconematidae (**Orthoptera**: Tettigonioidea), with descriptions of two new species from Taiwan. Proceedings of the Japanese Society of Systematic Zoology, No. 48: 42-47. [In English with Japanese summary]
 - genus *Taiyalia*
 - *Taiyalia squolyequiana*
 - *Taiyalia sedequiana*
- **Yamasaki, T.** (February 25, 1994) On tetrigids of the genus *Austrohancockia* (**Orthoptera**: Tetrigidae) of the Ryukyus. Proceedings of the Japanese Society of Systematic Zoology, No. 50: 46-51. [In English with Japanese summary]
 - *Austrohancockia platynota amamiensis*
 - *Austrohancockia okinawensis*
- **Yamashita, K. and Hayashi, K.-I.** (December 10, 1979) Larvae of **Decapoda Macrura** in the vicinity of Miyazima Aquarium, Miyazima, the Seto Inland Sea. I. *Heptacarpus rectirostris* (Stimpson) (Caridea, Hippolytidae). Proceedings of the Japanese Society of Systematic Zoology, No. 17: 45-51. [In Japanese with English summary]
- **Yamashita, K. and Hayashi, K.-I.** (December 25, 1980) Larvae of **Decapoda Macrura** in the vicinity of Miyazima, the Seto Inland Sea, II. *Heptacarpus pandaloides* (Stimpson) and *H. geniculatus* (Stimpson) (Caridea, Hippolytidae). Proceedings of the Japanese Society of Systematic Zoology, No. 19: 16-23. [In Japanese with English summary]
- **Yamashita, K. and Hayashi, K.-I.** (June 25, 1984) Larvae of **Decapoda Macrura** in the vicinity of Miyazima Aquarium, Miyazima, the Seto Inland Sea, III. *Eualus leptognathus* (Stimpson) (Caridea, Hippolytidae). Proceedings of the Japanese Society of Systematic Zoology, No. 28: 19-28. [In Japanese with summary]
- **Yang, D. and Nagatomi, A.** (December 25, 1992) *Asuragina*, a new genus of Athericidae (**Insecta**: **Diptera**). Proceedings of the Japanese Society of Systematic Zoology, No. 48: 54-62. [In English with Japanese summary]
 - genus *Asuragina* Nagatomi et Yang
 - *Asuragina caerulescens* n. comb.
 - *Asuragina yangi* Yang et Nagatomi
- **Yasunaga, T.** (December 25, 1990) A new mirid (**Heteroptera**, Miridae) from Amami-Oshima Island, Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 42: 32-36. [In English with Japanese summary]
 - genus *Miyamotoa*
 - *Miyamotoa rubicunda*
- **Yasunaga, T.** (June 25, 1992) New genera and species of the Miridae of Japan (**Heteroptera**). Proceedings of the Japanese Society of Systematic Zoology, No. 47: 45-51. [In English with Japanese summary]
 - genus *Castanopsides*
 - *Castanopsides hasegawai*
 - genus *Macrolygus*
 - *Macrolygus viridulus*
- **Yasunaga, T. and Miyamoto, S.** (June 25, 1991) Study on the genus *Mermitelocerus* (**Heteroptera**, Miridae) of Japan, with description of a new species. Proceedings of the Japanese Society of Systematic Zoology, No. 44: 57-64. [In English with Japanese summary]
 - *Mermitelocerus viridis*
- **Yasunaga, T. and Lu, N.** (February 25, 1994) A new genus and species of the marine plant bug (**Heteroptera**, Miridae) found in the Ryukyus, Japan and Guangxi Zhuang Autonomous Regions, China. Proceedings of the Japanese Society of Systematic Zoology, No. 50: 41-45. [In English with Japanese summary]
 - genus *Zhengiella*
 - *Zhengiella scutellata*
- **Yasunaga, T. and Takai, M.** (December 25, 1994) Review of the genus *Eocalocoris* Miyamoto et Yasunaga (**Heteroptera**, Miridae) of Japan, with description of a new species from the mountains of Shikoku and southwestern Honshu. Proceedings of the Japanese Society of Systematic Zoology, No.

52: 75-80. [In English with Japanese summary]

- *Eocalocoris albicerus*
- **Yoshida, H.** (May 25, 1982) Spiders from Taiwan II. Three species of the genera *Hyptiotes* and *Miagrammopes* (**Araneae**: Uroboridae). Proceedings of the Japanese Society of Systematic Zoology, No. 22: 18-20. [In English with Japanese summary]
 - *Miagrammopes oblongus*
- **Yoshida, H.** (December 25, 1982) Spiders from Taiwan III. Three species of the genera *Coleosome* [sic!] and *Molione* (**Araneae**: Theridiidae). Proceedings of the Japanese Society of Systematic Zoology, No. 24: 37-40. [In English with Japanese summary]
 - *Coleosoma octomaculatum n. comb.*
- **Yoshida, H.** (December 25, 1985) Three new species of the spider genera *Phoroncidia* and *Pholcomma* (**Araneae**, Theridiidae) from Japan. Proceedings of the Japanese Society of Systematic Zoology, No. 31: 7-13. [In English with Japanese summary]
 - *Phoroncidia altiventris* [haradaka-tsukune-gumo]
 - *Pholcomma japonicum* [yamato-kabuto-hime-gumo]
 - *Pholcomma amamiense* [amami-kabuto-hime-gumo]
- **Yoshida, H.** (July 25, 1993) A new species of the genus *Mimetus* (**Araneae**: Mimetidae) from the Ryukyus and Taiwan. Proceedings of the Japanese Society of Systematic Zoology, No. 49: 30-32. [In English with Japanese summary]
 - *Mimetus ryukyus*

Z

- **Zhang, W.-X.** (December 25, 1989) The genus *Microdrosophila* Malloch (**Diptera**: Drosophilidae) in Yunnan, China, with descriptions of eleven new species. Proceedings of the Japanese Society of Systematic Zoology, No. 40: 55-82. [In English with Japanese summary]
 - *Microdrosophila (Oxystyloptera) magniflava*
 - *Microdrosophila (Oxystyloptera) honoghensis*
 - *Microdrosophila (Microdrosophila) conda*
 - *Microdrosophila (Microdrosophila) curvula*
 - *Microdrosophila (Microdrosophila) setulosa*
 - *Microdrosophila (Microdrosophila) dentata*
 - *Microdrosophila (Microdrosophila) luchunensis*
 - *Microdrosophila (Microdrosophila) bipartita*
 - *Microdrosophila (Microdrosophila) spiciferipennis*
 - *Microdrosophila (Microdrosophila) cucullata*
 - *Microdrosophila (Microdrosophila) tabularis*
